I am back at my home JA campus in Tampa, reflecting on the incredible week we had in Kansas City. I wanted to extend my heartfelt gratitude for the generous scholarship that allowed me to attend Junior Achievement’s National Leadership Conference. Your support has had a profound impact on my life and work, and I am deeply thankful.

The conference was truly transformative. I had the chance to learn from inspiring leaders, participate in insightful workshops, and connect with passionate individuals committed to making a positive difference in their communities. We laughed, we listened, we shared, and we even shed some tears! The knowledge and skills I gained have already begun to influence my approach to work, providing me with fresh perspectives and renewed energy. The connections I made and the stories I heard from fellow attendees were incredibly inspiring. Seeing so many people dedicated to creating a better future for young people was encouraging and so motivating.

Your support made this possible. Thank you for believing in the potential of Junior Achievement and for your commitment to empowering emerging leaders. I am truly grateful for the investment you have made in my future, and I am determined to pay it forward by helping others to grow and develop their skillsets for the greatest impact in Tampa Bay.

Warm regards, **Liza Stevens**, Senior Director, Development Operations, JA of Tampa Bay, Inc. and 3Dby Junior Achievement-Tampa Bay

2022 NLC Scholarship Recipients Say, "Thank you"

I am writing to express my deepest gratitude for providing me with a scholarship for this year's NLC in Kansas City. I have been with JA Arizona for two and a half years, and it has been the most professionally rewarding experience of my entire post-college career. I have always dreamt of working somewhere that my ideas were valued and respected, where I could share innovation without fear of ridicule, and where I could continue to grow as a leader and servant. JAAZ has become a home I didn't know I needed and has provided me with the most amazing professional opportunities. I am a better leader and a better human-being since becoming involved in this amazing organization, and NLC will undoubtedly drive that point home even more. I look forward to the sheer volume of knowledge I will be exposed to at NLC, and I can't thank you enough for helping me get there!

Warmest Regards,

Jennie Clausen, Ph.D., Program Director – JA Inspire, JA of Arizona
